Dr. Noor Azizi Mohd Ali received his Bachelor of Arts in Architecture with honors from the University of Humber, United Kingdom. He then received his second degree, Bachelor of Architecture from University of Lincolnshire and Humber, United Kingdom. He was conferred a PhD in Architecture from Universiti Teknologi Malaysia specializing in building typology, symbolism and architectural language and Masters in Landscape Architecture (MLA) from Universiti Putra Malaysia.

Noor Azizi is currently a Senior Lecturer at the Department of Landscape Architecture, Faculty of Design and Architecture, Universiti Putra Malaysia. He joined the Department of Landscape Architecture, Universiti Putra Malaysia as a Tutor in 2001 upon completing his masters degree. His teaching courses include landscape construction, interior design, theory and philosophy of design, history of architecture, basic graphic, architecture design studio and landscape design studio.

Noor Azizi's fields of specialization are in architectural theory and design, landscape architecture design and design critique. His current research interests include art representation, vernacular architecture, cultural landscape, Islamic design and contemporary landscape and architectural design.

Noor Azizi is a member of the Lembaga Arkitek Malaysia (LAM) and the Institute Landscape Architects Malaysia (ILAM). He is also a member of WARIS, a research group specializing in cultural art and design, based in the Faculty of Design and Architecture, Universiti Putra Malaysia.

Noor Azizi is an active designer who has designed extensively, from logo and sculpture to furniture and from architecture to landscape architecture. He has also won awards including landscape architecture, interior architecture and booth design for exposition. He has also served as a jury for several local and international design competitions.
