

Mohd Faiz Yahaya

Mohd Faiz Yahaya is currently a research sudent at the Centre for Design and Innovation, Swinburne University of Technology, Melbourne, Australia. He is also a Tutor at the Industrial Design Department, Faculty of Design and Architecture, Universiti Putra Malaysia. His specialization is in Cognitive Aesthetics through multi-sensory experiences and also plays the role of a design consultant. His work had been published in numerous academic articles in Sustainable Tropical Environmental Design Exhibition Catalogue from 2008 until 2011.

He received five designs and innovation awards in Malaysia namely the 2011 Malaysian International Innovation & Technology Exhibition (ITEX) Silver Award, two Silver Awards and a Bronze Award at the 2011 Universiti Putra Malaysia Invention, Research & Innovation Exhibition (PRPi), He was also awarded five intellectual properties (Industrial Design) for his product design of Mobile Cubical Cell, U-Kan (Support for Computer Ventilation), Save Me Fire Extinguisher, Container Pack and Multiple Placement Stage for Microscope. Besides that, he is also a research member of the Universal Model of Aesthetics (UMA), an international collaboration involving Cambridge University, Delft University of Technology, Swinburne University of Technology and the University of Vienna. Its focus is on understanding the design of consumer products. Currently, he had presented his work at the International Assosiation of Emperical Aesthetics (IAEA) 2016 Conference.

Qualification:
PhD Student, Centre for Design Innovation
Swinburne University of Technology,
Melbourne, Australia
MSc. Information Technology
(Industrial Computing) UKM, Malaysia
BDes (Hons) (Industrial Design),
Universiti Teknologi MARA (UiTM), Malaysia

Working experience:
Faculty of Design and Architecture, UPM

Field of specialization:
Cognitive Aesthetics & Cross Sensory Design,
Industrial Design

Research Areas of Interest:
Cognitive Aesthetics in Product Design,
Multi-Sensory Design, Industrial Design, CAID
(Computer Aided Industrial Design)

Contact No. :
+603-8946 4096

Department:
Department of Industrial Design,
Faculty of Design and Architecture, UPM
