

Khairul Manami Kamarudin

Khairul Manami Kamarudin graduated with a Bachelor of Design (Industrial Design) from Universiti Teknologi MARA (UiTM) in 1999 and MSc. -Ing. Of Production Engineering, TU Berlin, Germany in 2010. She is currently pursuing her Doctor of Philosophy of Jointly Awarded Research Degree (JARD) in Design Engineering, with both Universiti Putra Malaysia and Advance Manufacturing Research Centre (AMRC) with Boeing, The University of Sheffield, UK.

In 1999 to 2007, she was involved in the automotive industry, from an independent automotive research company to working in the R&D department of a Malaysian car manufacturer. She has formed the concept, CAID towards manufacturing experiences, as well as internships in local and international companies, such as Composite and Automotive Research, MTRIZ Berlin and AMRC, TUoS.

She is now active in disseminating TRIZ, industrial design and design Innovations in her research and design communities in Malaysia. She loves crafting in her leisure time.

Qualification:

JARD PhD (Mechanical Engineering), Universiti Putra Malaysia, Serdang, Selangor – The University of Sheffield, UK (On-going)
MSc. -Ing. Production Engineering, TU Berlin, Germany
BDes (Industrial Design), University Technology of MARA, Shah Alam, Selangor

Working experience:

Faculty of Design and Architecture, UPM
Perodua Manufacturing Sdn Bhd
Proper Link Sdn Bhd

Field of specialization:

Safety Products, TRIZ, CAID, Industrial Design

Research Areas of Interest:

Safety in Design, TRIZ, Design Studies

Contact No. :

+603 8946 4096 / +6018 327 5910

Department:

Department of Industrial Design,
Faculty of Design and Architecture, UPM
