

## Lt. Nik Aizan Nik Abdullah

Lt Nik Aizan Nik Abdullah is currently working as a Tutor at the Industrial Design Department, Faculty of Design and Architecture UPM. Before being appointed as an academic staff in UPM, he received six years experienced in the design industry where he developed his capabilities in design and manufacturing. A few of the valuable experiences that practically led him to expand his knowledge in this discipline were joined venture design discipline with Yamaha Motorcycle, Japan and Renault Valeo Parts, France.

Since becoming a Tutor, he managed to produce one journal, two proceedings, articles, attended conferences and registered 11 Industrial Design (ID) filling under My-IPO and received several awards during PRPI 2010 and ITEX 2011. In 2014, he went to Salone Satellite International Exhibition in Milan, Italy and presented two of his furnitures which were filed under ID, My-IPO. He is now contributing his expertise with Sustainable Design-Construction Informatics (SD-CI) and Life and Emotion (LIEMO) design group, Faculty of Design and Architecture, UPM.

### Qualification:

MSc Manufacturing System Engineering,  
Universiti Putra Malaysia  
Bdes Industrial Design,  
Universiti Teknologi Mara  
Commissioned as 2nd Leutenant in Territorial  
Army, Malaysian Armed Forces (1997) and currently serving as Reserved Officer Training Unit ROTU, Universiti Putra Malaysia

### Working experience:

Faculty of Design and Architecture, UPM  
R&D STS Mould Tech Sdn Bhd.  
R&D Malaysian Electrical Cooperation Bhd  
R&D RadiusTech Sdn Bhd

### Field of specialization:

Industrial Design and Fabrication (Ideas-Mock up-Model-Prototype-Fabrication)

### Research Areas of Interest:

Design and Manufacturing (Sitting Posture Design)

### Contact No. :

+603 8946 4096 / +6019 219 5576

### Department:

Department of Industrial Design,  
Faculty of Design and Architecture, UPM
